

A CLOVERPORT MAN'S EXPERIENCE

Results Tell the Tale.

Can you doubt the evidence of this Cloverport citizen.

You can verify Cloverport endorsement.

J. C. Weatherholt, grocer, Cloverport, says: "I had little idea that I would ever be well again. I had settled up my affairs, believing it would be impossible for me to last a great while longer. The pain in my back was terrible, especially when I stooped. It seemed as if some one had run a knife into me. My heart action was irregular. I became dizzy and often had to catch hold of something to keep from falling. My knee joints were swollen to twice their normal size and I had lost weight until I was a mere skeleton. The kidney secretions contained sediment and the passages were painful. Doctors' medicine did me no good, neither did the so called kidney cures. Doan's Kidney Pills, procured at Fisher's Drug Store, soon cured me."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Weatherholt had. Foster-Milburn Co., Props., Buffalo, N. Y.

Poultry Parasites.

You keep the chicken house clean to keep the parasites off the chickens. You spray to kill germs—but what do you do to get the germs and parasites inside the chickens? Hens especially show it at moulting time and during the winter. How can you expect them to lay? Free them from all internal parasites by feeding B. A. Thomas Poultry Powder occasionally. If it doesn't make your hens happy, we will return your money. For sale at Wedding's Drug Store, Cloverport, Ky.

Prevent Hog Cholera.

The B. A. Thomas Hog Powder has a record of 95% cures of Hog Cholera. If you feed your hogs as directed, you need never fear hog cholera nor any other hog disease. And the directions are very simple, just about what you are doing, plus a few cents worth of B. A. Thomas Hog Powder in the feed twice a week.

Usually, though, Cholera gets in before we know it. Then it requires close attention to each hog—each hog must be dosed—and if you will dose them as directed, you will save better than 90 per cent. If you don't, the B. A. Thomas medicine costs you nothing. We—not some distant manufacturer—pay your money back. For sale at Wedding's Drug Store, Cloverport, Ky.

We wish you and yours a prosperous and happy New Year.
Mrs. B. Riedel,

Women of Sedentary Habits.

Women who get but little exercise are likely to be troubled with constipation and indigestion and will find Chamberlain's Tablets highly beneficial. Not so good as a three or four mile walk every day, but very much better than to allow the bowels to remain in a constipated condition. They are easy and pleasant to take and most agreeable in effect. Obtainable everywhere.
